

SKILLS LEARNT & APPLIED

- Water Safety and Sign Knowledge
- Teamwork
- Communication

AIM

- Recognise different safety signs and their meanings

Resources / Materials

- Pictures of water safety signs and symbol
- Description/message of safety sign/symbol

INSTRUCTIONS

1. Place all the pictures face down ensure they are spread out and in one section.
2. Place all the messages face down and spread out in another section.
3. In pairs/small groups flip over 2 face down cards.
4. Pairs and groups are to try and match the sign/symbol with the message or meaning.

Advanced Option –

1. Split the group into pairs.
2. Sort the cards into the picture and messages placing the face down in separate groups.
3. Have one person from each pair stand near each of the group.
4. Taking turns, one person from the pair turns a card over, they need to explain to their partner what they need to find from their pile.
